

# The princess and the dinosaur.

This story includes words that have /s/  
in the middle.

## The princess and the dinosaur.

The princess was really looking forward to her day. She got up early because she was going on a long walk around her kingdom.

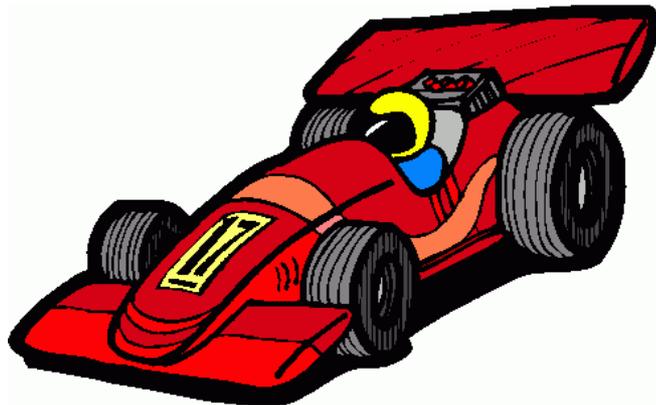

She took her glasses in her bag, just in case she needed them. Then, she headed off on her way.

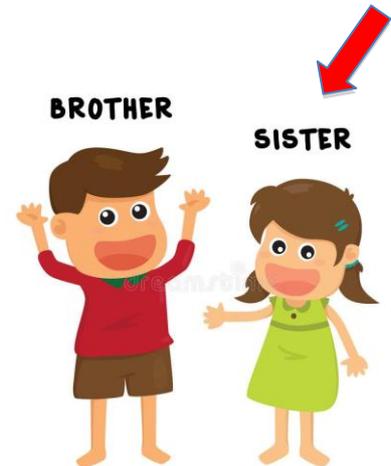

The first person that the **princess** saw on her walk was a **dancer**. “Wow, your **dancing** is wonderful!” said the **princess** and she sat and watched the man’s **dancing** for a while.

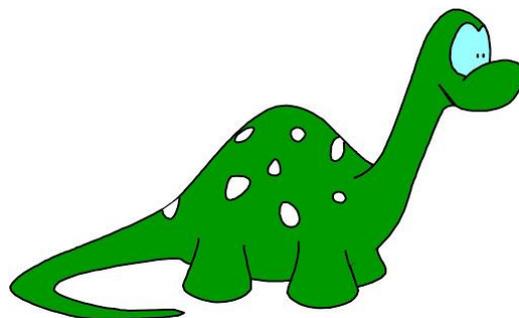

The next person that the **princess** saw was a man in a **racing** car. “Wow, your car is so fast!” she said and she sat and watched him **racing** for a while. “That **racing** car is too fast for me!” she thought.

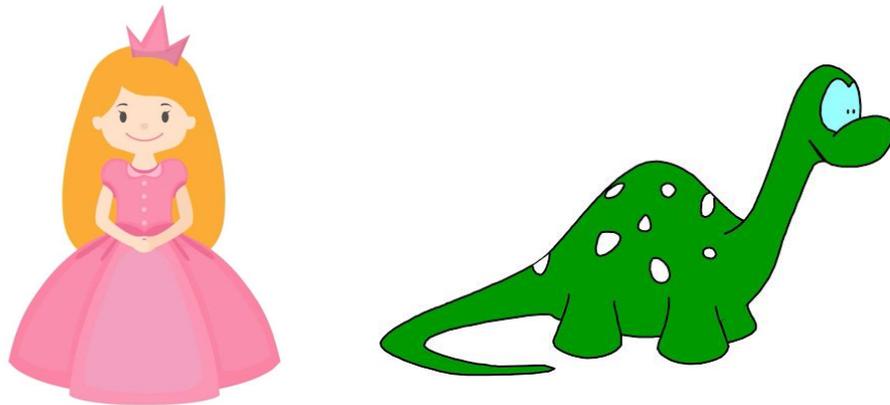

Then, the **princess** bumped into her **sister**. They sat down and had a chat together. Then, they had an **ice cream** from the **ice cream** man. “Yummy!” said the **princess** and her **sister**.

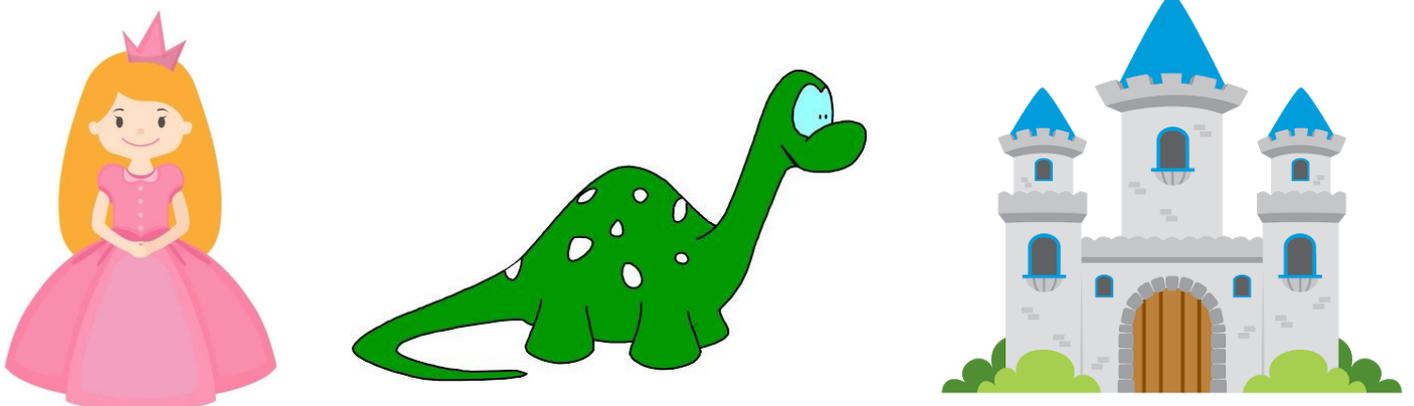

Then, the **princess** started walking again. In the distance, she thought that she could see a **dinosaur**. “A **dinosaur**? Surely not, I don’t think I’ve ever seen a **dinosaur** in my kingdom!” she thought to herself.

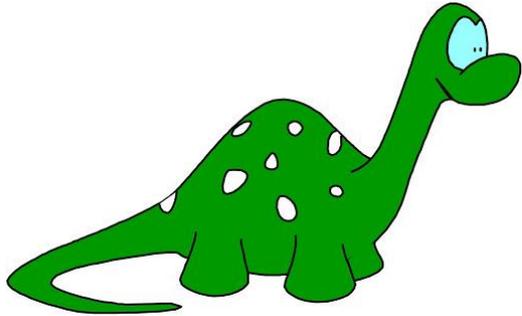

As the **princess** got closer, she realised that it really was a **dinosaur**. “Wow, a real life **dinosaur!**” she said and she ran towards the **dinosaur**.

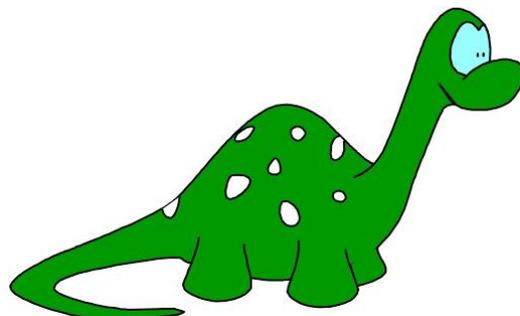

“Hello **dinosaur!** What are you doing here?” she asked. “I’m a little bit lost but I really like it here. Do you think that I could stay here?” asked the **dinosaur**. “Of course, why don’t you come and live in our **castle?**” the **princess** said. “That sounds amazing!” said the **dinosaur**.

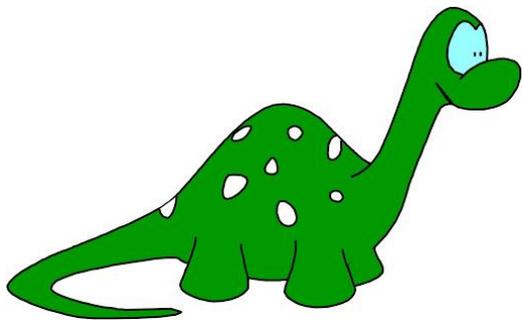

As soon as the **dinosaur** saw the **castle**, he said, “Wow! I can’t believe that I will be living here!”

The **princess** and the **dinosaur** soon became the best of friends. They sat down together and had an **ice cream**. “Yummy! **Ice cream** is my favourite!” said the **dinosaur**.

It was soon time for the **princess** to go to bed. So, she said **goodnight** to the **dinosaur** and then got into bed. “What a wonderful day. I can’t believe that I met a **dinosaur**! I wonder who I’ll meet on my walk tomorrow,” she thought. Then, the **princess** fell straight to sleep.

The end.
